A message from Ms Sarah Tan, Management Team

Dear parents,

Happy New Year! It brings me great joy to be writing the first welcome message for our newsletter publications of 2020. I would like to extend a warm welcome to our new parents of J&J Pre-school. Thank you for choosing us to love, guide and educate your children in their early and formative years.

We have a great team of caring and experienced teachers on board, some of whom have been with us since the start of J&J International Pre-school. Hence, I believe that your children will enjoy coming to school to play and learn with their fellow friends.

During the school holidays, our leadership team met together to cast a fresh vision and mission for our group of schools. I would like to share the core values that our teams will aim to uphold throughout our journey as educators: ExCEL+

- Excellence:** to embody a spirit of excellence in all areas such as: academics, character skills, and communication with one another
- Creativity:** think & do “out of the box” to achieve more / add value
- Exemplary:** walk the talk - be excellent role models)
- Love:** patience, kindness, never giving up on anyone and in situations)
- +(Positivity):** focus on positive thoughts, words and actions that will in turn produce positive results

I am confident that under the guidance of our leadership team, these five core values will form the basis of all that we do in J&J. Let me introduce to you our J&J Pre-school leadership team of 2020.

Ms Ann Ooi is our new J&J Principal. She has more than 20 years of experience working in established pre-schools throughout Klang Valley both as a teacher and as a Principal. Ms Ann will be teaching Mandarin to our 6 year old students this year.

Rachel Tan recently graduated from the University of Melbourne with a Bachelor of Science (Psychology). She is part of our Management team and will strive to ensure that all students receive high-quality learning experiences.

Together, we are excited for what 2020 will hold for J&J Pre-school and we look forward to partnering with you our dear parents to enrich your children’s learning journey here at J&J.

God bless you.

Sarah Tan

Golden Star Students

Congratulations to all our students!

Happy Birthday to our January babies!

3 Grace

BY TEACHER LI NAH & TEACHER ELENA

Our toddlers are working on their fine motor skills by scooping beans using a spoon.

4 Joy

BY TEACHER SHINI & TEACHER EMILLIE

Our 4 years old children learnt numbers in fun way.

Children made a creative fire crackers craft for Chinese New Year.

Children had a fun time exploring the 5 different taste sensors with their tongue! We can clearly see the various expressions based on the different foods they tried!

Children practiced their Mandarin by learning the basic numerals through craft!

5 Kindness

BY TEACHER NISHAA

The children identified parts of the body and learned what they were for! Skeleton crafts were made using plastic straws.

Children learned to count numbers by placing objects which amounted to the numbers displayed.

5 Gentleness

BY TEACHER SUZY

Children made a project book titled **All About Me!**

6 Faith

BY TEACHER MAHES

Children learned the topic of clothes "**pakaian**" during their Bahasa Malaysia lesson. Then, their knowledge was tested by playing a matching game by placing the word card on the related clothes.

Ms Ann brought an owl puppet to the 6 years old class. Children were ecstatic to meet a new friend!

Enrichment Activities

By Teacher Nishaa and Teacher Shini

The theme for January 2020 is, My Family and Friends. Children learnt about their family and friends. They learnt how to behave /respond to their friends and family members. Children participated in many activities and role play on these topics. They had so much fun!

Children learned how to work together with a friend.

Children made a paper fan craft for Chinese New year celebration!

Children helped their friends build out their body shape by arranging the toys around them. Teamwork and creativity was essential for this activity!

Children made a friendship tree through colorful hand imprints!

Children made a family craft with their family members surrounding their decorated homes!

Children learned what it means to be a friend and how they can be a friend to others.

Children made family members craft using ice-cream sticks.

Junior Chef

By Teacher Mahes & Teacher Susan

Children made fruit lassi. They cut out the fruits and blended them with the help of their teachers. It was delicious!

INTERNATIONAL
PRE-SCHOOL

RM 150

PRIVATE
PRIMARY SCHOOL

RM 350

IGCSE
SECONDARY

RM 500

At J&J Education Group, many of our students are referred by the community of parents who appreciate quality education from pre-school to primary as well as IGCSE secondary levels.

We have seen great and positive transformations of the students in each school, and even more if they have continued their learning journey with us from preschool to primary and then, secondary.

We would like to show our appreciation for these efforts and say "THANK YOU!" for referring a student to any of our schools. Please refer to the form overleaf and fill up the details for easy reference.
