

J & J INTERNATIONAL PRESCHOOL

THE MONTHLY NEWSLETTER OF J&J PRESCHOOL

NOTICE:

- DAYCARE WILL REOPEN ON THE 1ST OF JUNE.
- THE PRESCHOOL REMAINS CLOSED UNTIL ANNOUNCED BY THE GOVERNMENT.
- WE HAVE INSTAGRAM! FOLLOW US NOW AT @JJPRESCHOOL

Parents, thank you for your continuous care, love and support for your children during these tough times. Hang in there, stay safe, and we hope to see your little ones back to school again.

At the end of the day, the most overwhelming key to a child's success is the positive involvement of parents.

J & J TEACHERS AND STAFF HOPE THIS ENCOURAGES ALL PARENTS AND STUDENTS TO STAY SAFE AND TAKE CARE AT HOME!

A message from Teacher Suzy, 5 Gentleness Class Teacher.

A warm welcome to our beloved parents and guardians, Firstly, on behalf of J&J, I would like to say a big thank you to all our dear parents and guardians who have supported being a teacher aid for our students without fail during all our online classes. Moreover, we are grateful to all parents and guardians for their constant support with the collection of worksheets and study materials to help your child. Well done! Good job!

For the month of May, our Thematic topic ("We are all growing") was well carried out with so many crafts, experiments and lessons. The children truly enjoyed this theme as seen through their projects posted on the J&J Facebook page.

From this month onwards, we added more subjects and programs including storytelling, music, science, Show and Tell and Art & Craft to make lessons more fun and enjoyable. Show and Tell helps strengthen children's oral skills, because it is a structured activity. It also fosters public speaking skills and encourages children to feel comfortable when talking in front of their peers. Storytelling provides children with a window to new worlds. It gives them the opportunity to learn new ideas and information; without realising it, they are learning valuable life lessons through hearing an engaging and exciting story.

Lessons will still continue online and worksheets will be provided every week as per usual. The teachers still strive to provide the best learning experience for our dear children and to keep them occupied during this MCO period. We are praying for everything to be back to normal. In the meantime, let us practice the policy that is "Stay home, and stay safe." God bless!

Thank you.

We were able to gather photos of our students doing art & craft activities at home! Thank you parents for sending in your child's creations!

Continue to send us your child's work so that we can feature it in our next newsletter!

WEEK 1
