# J & J TEACHERS AND STAFF HOPE THIS ENCOURAGES ALL PARENTS AND STUDENTS TO STAY SAFE AND TAKE CARE AT HOME!

## A message from Teacher Juliann & Teacher Emillie, 3 Grace Class Teacher.

Welcome dear parents and children to the 2nd term of schooling. Just like the month JUNE, a warm announcement has been made by the Ministry of Education on the 15th June that preschools will resume its operation from the 1st of July 2020. At J&J, our teachers are looking forward to meet all of you once again! Preparation has been done according to the SOP given and we are all set to reopen our school once again adhering to the new norm.

This month's theme was all about “**Animals at Home**”. During lessons, children were exposed to various types of animals that can be kept at home. Virtual activities such as jigsaw, guessing the animal's name and it's home were done. Children also took this opportunity to show their friends their pets and talk about their pets during their Show and Tell.

This month, the school also introduced a new virtual event that would take place every Monday at 9.30 am. The first event held was an online **Zumba** exercise by teacher Nishaa. Zumba is a fitness program that helps both parents and children to move their body, have fun and de-stress during this period of staying at home. Another event that the school has just launched is **Munching Monday**, whereby children and teachers bring their breakfast along and eat them together online. This event helps create a good bond between teacher and students before school resumes.

Finally, we would like to say a big thank you to parents and guardians for your patience and support during this challenging time.

Thank you!

We were able to gather photos of our students doing art & craft activities at home! Thank you parents for sending in your child's creations!

**Do continue to send us your child's work so that we can feature it in our next newsletter!**
